

# ... How I feel affects other people!!!

I thought about switching lives with you.  
But I miss me already.

See, I don't know if you enjoy  
waking up every morning  
And that happens to be one of my favorite moments  
Because it starts me off  
having reached my primary goal of the day  
For my goal everyday is to wake up tomorrow...

And I don't know if you really appreciate how your  
fingers and toes move.

While I know I really get a kick out of feeling  
solid, soft or sandy soil supporting my successful stride.

I happen to enjoy touching, squeezing, holding  
and pointing myself in the right direction  
That direction is up, (by the way)  
are you headed that way?

I know I am,  
And I'd sure like to be in my shoes when I get there...  
Because I pretty much know  
how I'd deal with the crowds.

Got my acceptance speech ready,  
and been practicing my smile

Come to think of it,

I've been working on it since I was a child.  
My favorite outfit will be pressed brand new  
Family, friends, teachers, heroes, TV shows, clients,  
habits and hobbies  
They'll all be there too.

Can't say I'd know how to handle them all,  
if I woke up and found out I was you.

My mentors would take credit, while giving me praise  
They'd help me relive memories and cherish new days

Oh, how I would laugh at the tough times  
and the material things that were lost  
And rejoice in the character they helped build  
See, my life and spirit are beyond monetary cost.

Every enemy would stand in their place  
and receive equal time to express the beauty they  
inspired through their negativity.

Let's face it,  
so many of the lessons we actually learn  
come from disharmony.

A selfish person made me want to share...  
A jealous person helped me recognize insecurity...

A lie reminded me to tell the truth...  
I remember joy & pain... I like sunshine & rain...  
And it was a man who taught me how to be a man.

I've been vigilant, patient, spontaneous,  
loving, mean, mischievous.

Ignorant, irresponsible, (irresistible), innocent,  
intelligent, intuitive, intimate, interesting, introspective/  
indecisive, insightful/insatiable, insensitive/incredible,  
indispensable, independent, incoherent/incognito,  
indescribable, inexperienced, infallible, indestructible,  
inspirational, inquisitive, instinctive, instrumental, IN...  
and OUT...

Outstanding/outrageous, outside/outsmarted, outspoken/  
outdone, outlandish/outclassed, outwitted/outcast,  
outnumbered, outraged, outright, outreached, outranked,  
outvoted, outgoing, out of sight, out of this world...

oh, yes, even out of breath...  
(and almost) out of my mind,

Because, I thought about switching lives with you.  
But I miss me already.

See, I don't know if you enjoy waking up every morning,  
And that happens to be one of my favorite moments.
