## How I Feel Affects Other People!!!

## October 2021

Reminding "Seasoned Citizens" to continue to laugh, learn and love their lives...

**YEPP and LOL... IT'S THE PATH THIS MONTH**  
As some of you may know that I traded in my original knee for a 2021 model on September 8. I've been home rehabbing since the 10th and am scheduled for my post operation visit on October 19. ROAD returns in November.

**Q. why are there rings on Saturn?**  
A. Because God liked it so he put a ring on it. Saturn was a single lady.

### SERENITY 2021

Grant me the serenity to accept the things I cannot change; courage to change the things I can; and \$ 1 million in small unmarked bills to amuse myself in the meantime.  
~ Thanks James (Jim-Bob) Williams

*So NOW it's time to take a seat... Clean yourself up... Enjoy!!!*  
**OCTOBER is 1 of the 12 best months for loving, living and laughing... Even in a **Second Pandemic** Year!!!**

### Drinking and Driving

As you well know some of us have been known to have had rare brushes with the authorities on our way home from the odd social sessions over the years. A couple of nights ago I was out for a few drinks with some friends and had a few too many beers and some shots. Knowing full well I may have been slightly over the limit I did something I've never done before... I took a bus home!

Sure enough, I passed a DUI checkpoint, but because it was a bus, they just waved it through. I arrived home safely without incident, which was a real surprise, as I have never driven a bus before and don't know where I found the bus.

### HEALTH WARNING!!!

**THE NEXT TIME YOUR WIFE GETS ANGRY, DRAPE A TOWEL OVER HER SHOULDERS LIKE A CAPE AND SAY... 'NOW YOU'RE SUPER ANGRY!'**

**MAYBE SHE'LL LAUGH. MAYBE YOU'LL DIE.**

### IT'S A FRICKIN' ELEPHANT

*From the diary of a Pre-School Teacher*

My five-year old students are learning to read. Yesterday one of them pointed at a picture in a zoo book and said, "Look at this! It's a frickin' elephant!"  
I took a deep breath, and then asked, "What did you call it?"  
"It's a frickin' elephant! It says so on the picture!"  
And so it does...

## HOW CHILDREN PERCEIVE THEIR GRANDPARENTS

- 1) My young grandson called the other day to wish me Happy Birthday. He asked me how old I was, and I told him, "80." My grandson was quiet for a moment, and then he asked, "Did you start at 1?"
- 2) After putting her grandchildren to bed, a grandmother changed into old slacks and a droopy blouse and proceeded to wash her hair. As she heard the children getting more and more rambunctious, her patience grew thin. Finally, she threw a towel around her head and stormed into their room, putting them back to bed with stern warnings. As she left the room, she heard the three-year-old say with a trembling voice, "Who was THAT?"
- 3) I didn't know if my granddaughter had learned her colors yet, so I decided to test her. I would point out something and ask what color it was. She would tell me and was always correct. It was fun for me, so I continued. At last, she headed for the door, saying, "Grandma, I think you should try to figure out some of these colors yourself!"
- 4) A second grader came home from school and said to her grandmother, "Grandma, guess what? We learned how to make babies today." The grandmother, more than a little surprised, tried to keep her cool. "That's interesting," she said... "How do you make babies?"  
"It's simple," replied the girl. "You just change 'y' to 'i' and add 'es'."
- 5) Children's Logic: "Give me a sentence about a public servant", said a teacher. The small boy wrote: "The fireman came down the ladder, pregnant." The teacher took the lad aside to correct him. "Don't you know what pregnant means?" she asked. "Sure," replied the young boy confidently. "It means carrying a child."

## Halloween Rules for Seniors

You know you are too old to Trick or Treat when:

10. You keep knocking on your own front door.
9. You remove your false teeth to change your appearance.
8. You ask for soft high fiber candy only.
7. When someone drops a candy bar in your bag, you lose your balance and fall over.
6. People say: 'Great Boris Karloff Mask,' And you're not wearing a mask.
5. When the door opens you yell, 'Trick or...!' And you can't remember the rest.
4. By the end of the night, you have a bag full of restraining orders.
3. You have to carefully choose a costume that doesn't dislodge your hairpiece.
2. You're the only Power Ranger in the neighborhood with a walker.

And the number one reason Seniors should not go Trick Or Treating...

1. You keep having to go home to pee.

No matter, have a HAPPY HALLOWEEN anyway.

## LEMON SQUEEZE

There once was a religious young woman who went to Confession. Upon entering the confessional, she said, 'Forgive me, Father, for I have sinned.'  
The priest said, 'Confess your sins and be forgiven.'  
The young woman said, 'Last night my boyfriend made mad passionate love to me seven times.'  
The priest thought long and hard and then said, 'Squeeze seven lemons into a glass and then drink the juice.'  
The young woman asked, 'Will this cleanse me of my sins?'  
The priest said, 'No, but it will wipe that smile off of your face.'

## Even Dogs Do IT...

Tell her you are a guard dog. Yeah, A Rottweiler, and That you're single and neutered....

Just curious if you can recommend a wine that pairs well with eating my children's Halloween candy.

Don't ever think that an old dog doesn't know some new tricks. When you underestimate people you actually underestimate your ability to judge character. That inability can create a domino effect of not trusting or believing in yourself, followed by a barrage of compensating by bringing the wrong people into your life. Everyone is capable of anything, when they want to learn. Knowledge is not a trick.
